

Exhibitor | Sponsor Partnership Prospectus

2025 Hematology and Oncology Best Practices Conference

The Ritz-Carlton, Pentagon City
Arlington, VA

August 1-7, 2025

Link: [Exhibitor Sponsor Partnership Application](#)

THE GEORGE WASHINGTON UNIVERSITY

WASHINGTON, DC

Dear Prospective Sponsor Exhibitor,

The George Washington University School of Medicine & Sciences (GW) and the GW Cancer Center invite you to join us for the **2025 Hematology and Oncology Best Practices Conference** to be held on **August 1-7, 2025** at The Ritz-Carlton, Pentagon City in Arlington, Virginia.

HEMONC Best Practices is an important element in the continuum of physician performance improvement over time. In its 43rd year, the course is the well-respected and longest running, covering Hematology and Oncology. With more than 200 practicing clinicians attending each year, it is also the largest combined hematology and medical oncology course in the United States.

This conference will provide a comprehensive review that will be useful for practicing physicians as well as participants who are preparing for certification or recertification exams. In addition, we will expand the attendee's knowledge on our latest scientific updates in Hematology and Oncology best practices. The live program format will be highly interactive, including live audience polling sessions and Q&A sessions with our distinguished faculty and networking opportunities with our sponsor exhibitors throughout the conference days. Attendees will receive CME accreditation after the course completion.

I am Robert S. Siegel, MD, Associate GW Cancer Center Director of Education and Training, and will be your Course Director for this program. I will be joined by a faculty of leading experts in hematology and oncology. Our expert faculty is comprised of officers of the major professional societies, authors and editors of standard textbooks, and contributors to the development of clinical practice guidelines.

Topics to be covered include: Anemias | Breast Cancer | Clotting and Bleeding Disorders | Gastroenterological Cancer | Genitourinary Cancer | Leukemia | Lymphoma | Multiple Myeloma | Lung Cancer | Melanoma | Mesothelioma | Myelodysplasia | Myeloproliferative Disease | Pharmacology | Platelet Disorders | Sarcomas | Palliative Care | Lung Cancer | Ovarian Cancer | Neuro-Oncology | and T Cell Therapies for Cancer

Exhibit sales are underway, and space is limited. Please refer to pages 16 & 20 for the exhibit fees. Breakfast, Refreshments and Lunch will be available in the exhibit area, providing ample opportunity for interaction with attendees. To request exhibit space or sponsorship commitment, please complete the online Exhibitor | Sponsor Partnership Application at this link - [Sponsor Exhibitor Application Link](#)

Please submit your payment to GW by **Friday, July 11, 2025**. All exhibits are subject to review by The George Washington University School of Medicine and Health Sciences' Office of Continuing Education in the Health Professions. **No fees paid by exhibitors or sponsors are passed, in whole or in part to any third party and the exhibit fees are not utilized for CME or food for the conference.**

On behalf of GW, we look forward to your support and participation. If you have any questions or require additional information, please contact Leo Schargorodski at LSchargorodski@mfa.gwu.edu or the FINA Logistics Conference Services Team at HEMONCBP_Sponsorship@finaww.com.

Sincerely,

Robert S. Siegel, MD

Robert S. Siegel, MD

Course Director

Professor of Medicine, Associate Director of Education and Training,

Hematology Enduring Courses

Thursday, July 31, 2025- Day 0: Hematology Enduring Courses Online/On-Demand Training			
FILE	SESSION	TOPIC	PRESENTER
1	Hematology	Biology of Hematopoiesis	Jerry L. Spivak, MD, MACP Emeritus Professor of Medicine Johns Hopkins University School of Medicine
2	Hematology	Anemia of Chronic Illness	Vera Malkovska, MD Director of Hematology MedStar Washington Hospital Center The George Washington University
3	Hematology	Megaloblastic and Sideroblastic Anemias	Vera Malkovska, MD Director of Hematology MedStar Washington Hospital Center The George Washington University
4	Hematology	Porphyrias	Victor R. Gordeuk, MD Professor of Medicine University of Illinois at Chicago
5	Hematology	Red Cell Enzymes, Membranes, and Metabolism	Imad A. Tabbara, MD, FACP Chief, Division of Hematology/Oncology of DeCesaris Cancer Institute Anne Arundel Medical Center Clinical Professor of Medicine George Washington University
6	Hematology	Mechanisms for Clotting	Nigel S. Key, MB, ChB, FRCP Harold R Roberts Distinguished Professor University of North Carolina at Chapel Hill
7	Hematology	Oral Anticoagulants and Antithrombotic Therapy	Alice Ma, MD, FACP Professor of Medicine University of North Carolina
8	Hematology	Parenteral Antithrombotics and Thrombolytic Therapy	Alice Ma, MD, FACP Professor of Medicine University of North Carolina
9	Hematology	Review of Cellular Morphology	Donald Karcher, MD Professor of Pathology The George Washington University
10	Hematologic Malignancies	Liquid Biopsies	Benjamin Levy, MD Associate Professor The Johns Hopkins School of Medicine

Friday, August 1, 2025- Day 1: Hematology Session Room: Salon I-II			
FILE	TIME	TOPIC	PRESENTER
	07:00 AM – 08:00 AM	Breakfast Visit Exhibit Hall- Plaza	Exhibitors Attendees
11	08:00 AM – 08:05 AM	Welcome Housekeeping Notes	Robert S. Siegel, MD Professor of Medicine, Associate GW Cancer Center Director of Education and Training, The George Washington University, GW Cancer Center
12	08:05 AM – 08:45 AM	Iron Deficiency and Overload	Victor R. Gordeuk, MD Professor of Medicine University of Illinois at Chicago
13	08:45 AM – 09:30 AM	Hemolytic Anemia	Imad A. Tabbara, MD, FACP Chief, Division of Hematology/Oncology of DeCesaris Cancer Institute Anne Arundel Medical Center Clinical Professor of Medicine George Washington University
14	09:30 AM – 10:15 AM	Hemoglobinopathies	Victor R. Gordeuk, MD Professor of Medicine University of Illinois at Chicago
	10:15 AM – 10:35 AM	Break Visit Exhibit Hall- Plaza	Exhibitors Attendees
15	10:35 AM – 11:20 AM	The Hemophilias	Nigel S. Key, MB, ChB, FRCP Harold R Roberts Distinguished Professor University of North Carolina at Chapel Hill
16	11:20 AM – 12:05 PM	Von Willebrand's Disease	Alice Ma, MD, FACP Professor of Medicine University of North Carolina
	12:05 PM – 12:35 PM	Lunch Visit Exhibit Hall- Plaza	Exhibitors Attendees
17	12:35 PM – 02:00 PM	Lunch Review Session 1: Hypercoagulable States, Acquired Disorders of Coagulation, Qualitative Platelet Defects and Hemolytic Anemia	Moderator: Dr. R. Siegel Dr. K. Bauer Dr. A. Ma Dr. A.K. Rao Dr. I. Tabbara
18	02:00 PM – 02:45 PM	Hypercoagulable States	Kenneth A. Bauer, MD Professor of Medicine Harvard Medical School
19	02:45 PM – 03:40 PM	Qualitative Platelet Defects	A. Koneti Rao, MBBS Sol Sherry Professor of Medicine Co-Director, Sol Sherry Thrombosis Research Center, Lewis Katz School of Medicine
	03:40 PM – 04:00 PM	Break Visit Exhibit Hall- Plaza	Exhibitors Attendees
20	04:00 PM – 04:45 PM	Acquired Disorders of Coagulation	Alice Ma, MD, FACP Professor of Medicine University of North Carolina
21	04:45 PM – 05:30 PM	Transfusion Medicine	Herleen Rai, MD Associate Director of the Clinical Pathology Residency Program Assistant Professor of Pathology The Johns Hopkins University School of Medicine
22	05:30 PM – 06:15 PM	Platelet Alloimmunization	Herleen Rai, MD Associate Director of the Clinical Pathology Residency Program Assistant Professor of Pathology The Johns Hopkins University School of Medicine
23	06:15 PM – 06:20 PM	Closing Reminders	Robert S. Siegel, MD Professor of Medicine, Associate GW Cancer Center Director of Education and Training, The George Washington University, GW Cancer Center
	06:20 PM – 09:20 PM	Dinner Product Forum sponsored by sponsor- tbc	Exhibitors Attendees

Saturday, August 2, 2025 - Day 2: Hematology Session Room: Salon I-II			
FILE	TIME	TOPIC	PRESENTER
	07:00 AM – 08:00 AM	Breakfast Visit Exhibit Hall- Plaza	Exhibitors Attendees
24	08:00 AM – 08:05 AM	Welcome Housekeeping Notes	Robert S. Siegel, MD Professor of Medicine, Associate GW Cancer Center Director of Education and Training, The George Washington University, GW Cancer Center
25	08:05 AM – 08:50 AM	Sickling Disorders	Santosh Saraf, MD Associate Professor of Medicine University of Illinois at Chicago
26	08:50 AM – 09:35 AM	Consumptive Thrombohemorrhagic Disorders (DIC, TTP, HUS)	Michele P. Lambert, MD, MSTR Associate Professor of Pediatrics Perelman School of Medicine at UPENN and The Children's Hospital of Philadelphia
	09:35 AM – 10:00 AM	Break Visit Exhibit Hall- Plaza	Exhibitors Attendees
27	10:00 AM – 10:45 AM	Bone Marrow Failure	Amy DeZern, MD, MHS Professor of Oncology and Medicine Hematologic Malignancies Sidney Kimmel Comprehensive Cancer Center at The Johns Hopkins School of Medicine
28	10:45 AM – 11:35 AM	White Cell Disorders	Amy DeZern, MD, MHS Professor of Oncology and Medicine Hematologic Malignancies Sidney Kimmel Comprehensive Cancer Center at The Johns Hopkins School of Medicine
	11:35 AM – 12:00 PM	Lunch Visit Exhibit Hall- Plaza	Exhibitors Attendees
29	12:00 PM – 02:00 PM	Lunch Review Session 2: Consumptive Thrombohemorrhagic Disorders, White Cell Disorders, Bone Marrow Failure, Sickle Cell Disease, HIT/VITT, Limb Ischemia, Hemoglobinopathies, ITP, and Hematologic Complications of Pregnancy	Moderator: Dr. R. Siegel Dr. A. DeZern Dr. M. Lambert Dr. T. Warkentin Dr. S. Saraf
30	02:00 PM – 03:00 PM	DIC, Anti-PF4 Disorders (HIT, VITT), and Ischemic Limb Gangrene	Theodore (Ted) Warkentin, MD Professor, Department of Pathology and Molecular Medicine, McMaster University Regional Director, Transfusion Medicine Hamilton Regional Laboratory Medicine Program, Hamilton Health Sciences
31	03:00 PM – 03:45 PM	ITP and Drug-Induced Thrombocytopenia	Robert S. Siegel, MD Professor of Medicine, Associate GW Cancer Center Director of Education and Training, The George Washington University, GW Cancer Center
	03:45 PM – 04:05 PM	Break Visit Exhibit Hall- Plaza	Exhibitors Attendees
32	04:05 PM – 04:50 PM	ABO Incompatibility and Other Transfusion-Related Issues in Hematopoietic Transplantation	Shelley S. Kalsi, MD Assistant Research Clinician Bethesda, MD Affiliation
33	04:50 PM – 05:35 PM	Hematologic Complications of Pregnancy	Robert S. Siegel, MD Professor of Medicine, Associate GW Cancer Center Director of Education and Training, The George Washington University, GW Cancer Center
34	05:35 PM – 05:40 PM	Closing Reminders	Robert S. Siegel, MD Professor of Medicine, Associate GW Cancer Center Director of Education and Training, The George Washington University, GW Cancer Center
	05:40 PM – 08:40 PM	Dinner Product Forum sponsored by sponsor- tbc	Exhibitors Attendees

Tentative Agenda is subject to change. All times listed in Eastern Time (ET).

HEMONC BEST PRACTICES COURSE DIRECTOR

Dr. Robert S. Siegel is a Professor of Medicine at The George Washington University School of Medicine & Health Sciences and currently serves as the Associate Center Director for Education and Training for the GW Cancer Center. He is board-certified in Internal Medicine, Medical Oncology, and Hematology.

Dr. Siegel received his BA from Stanford University in 1973, and his MD degree from George Washington University in 1977. His internship, residency, and fellowship all occurred at the Duke University Medical Center in Durham, North Carolina. Dr. Siegel returned to GW as a faculty member in 1982, was promoted to associate professor in 1989 and full professor with tenure in 2000.

Robert S. Siegel, MD

Upon returning to GW, he spearheaded the effort to create an oncology unit, which was dedicated in the spring of 1984 and established the Cancer Conference and Tumor Board in the same year. He was instrumental in establishing a certified hospital tumor registry and cancer program in 1985, which has been accredited by the American College of Surgeons every 3 years since then, usually with commendation. He had been chairman of the Cancer Committee from 1987 to 2021.

Dr. Siegel's research initially focused on immune thrombocytopenic purpura. Through his work, the pathophysiology and therapy of this disease is far better understood. In his early years at GW, he also led our research program looking at the natural history of sickle cell disease. Later, he was among the first researchers who documented the inferior survival of African American breast cancer patients, compared to their Caucasian counterparts, because of a biologically more aggressive disease. Subsequent studies around the country have validated these results. Recently, Dr. Siegel has led an effort that appears to show excellent survival and minimal toxicity from a new therapy for advanced Head and Neck Cancer.

Dr. Siegel was the Director of the Oncology Unit from 1984 to 2022. He also led the Cancer Center since from 1993 to 2015. He founded the Katzen Cancer Research Center in 2008 and was its Director and Board Chairman until the fall of 2016. Dr. Siegel served as Director of the Division of Hematology and Oncology from 1997-2015. He was chairman of GW's Institutional Review Board from 1998 through 2003 and was a member of the IRB for 23 years.

He has supervised the GW Medical School's first and second-year Hematology program since 1982, and has been Director of the GW Best Practices Course, the largest program of its kind in the country since 1996. He is the Course Director of the very successful annual Oncology Update and Hematology Update programs for cancer physicians in the Washington, DC region. He also leads a Breast Cancer Consortium, which is composed of Medical Oncologists, Radiation Oncologists and surgeons.

Dr. Siegel has received numerous rewards for excellence in clinical care. He is consistently labeled by Washingtonian Magazine as one of the area's best physicians. In 2017 he received the George Washington University Alumni Achievement Award. He was given the Leonard Tow Humanism Award by the George Washington University in 2005 and the "Commitment to Overcoming Cancer Award" in 2008 by the GW Cancer Institute.

OUR LIVE FORMAT PROGRAM OVERVIEW

Our live conference will provide physicians the opportunity to meet with you in-person, where you are able to present product and service information to physicians, strengthen your company and brand recognition and generate leads during your conference participation. We are pleased to announce that celebrating its 43rd year, we will be hosting this year's conference live!

The live format will provide a face-to-face engaging experience including:

- Educational Sessions
- Audience Polling
- Q&A Sessions
- Networking Exhibit Hall

Our extended break times between sessions will enable 1:1 valuable networking conversations during our exhibit hall hours as well as during Industry-sponsored event sessions such as:

- Networking Meals and Refreshment Breaks
- Breakfast Product Theaters
- Dinner Product Forums

At the close of the conference, you will receive participant information about your exhibit booth attendees and conference attendees that you did not have the opportunity to connect with during the conference days.

This conference will be a recorded. The recording will be available for a year post conference. Beyond the live day interaction, the conference will remain available to HCP and industry conference registrant attendees "on-demand" after the conference days.

WHO ATTENDS HEMONC BEST PRACTICES?

The target audience remains to be the Hematology and Oncology practitioner. In 2024, over **300** were in attendance including:

- Practicing Hematologists, Oncologists and Hem Oncologists
- Residents and Medical Fellows
- Nurses, Pharmacists, Advanced Practice Providers and Allied Professionals
- The Nations' Leading Faculty

Connect with approximately **200** hard-to-reach physicians at the beginning of their careers who have not yet developed brand loyalty.

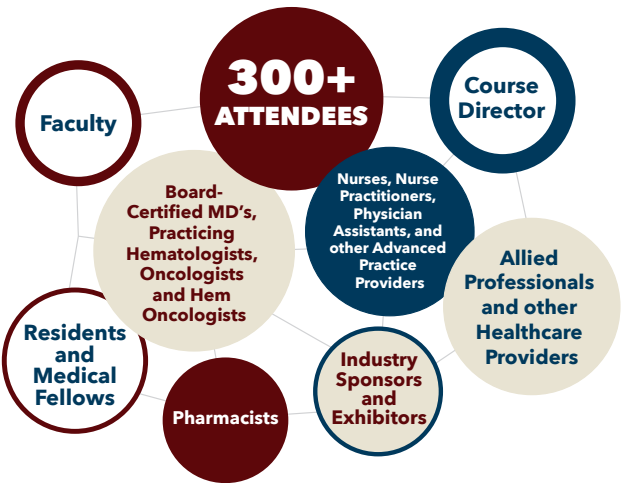

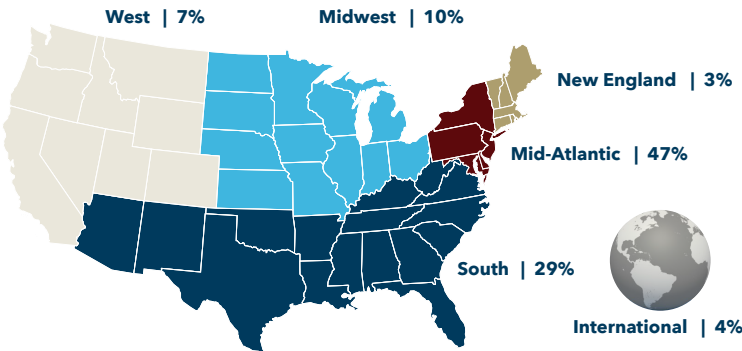

Healthcare Provider Types

Specialties

Attendee Breakdown by Region

EXHIBITING AT HEMONC BEST PRACTICES

HEMONC Best Practices is a great opportunity to gain visibility through the multiple opportunities to promote your company's brand, products, and services directly to our audience of physicians and other healthcare professionals.

EXHIBIT BOOTH STAFFING

Each booth must be fully operational and staffed during the open exhibit hours. All exhibitors are welcome to remain open until the end of each day, but may end after the educational sessions close for the day. Exhibitor Booth Staff must be registered to attend the program. Booth Staff contact information must be provided in the Exhibitor | Sponsor Partnership Application.

EXHIBIT BOOTH ALLOCATION

We will allocate your exhibit booth, once we confirm the total number of 2025 participating Sponsor Exhibitors. All exhibitors will be in the Refreshments area.

Why Exhibit?

- Educate physicians and other healthcare professionals about your company's products and services
- Demonstrate your company's commitment to improving the care of patients
- Reach key decision makers in the Hematology and Oncology markets
- Capture qualified sales leads

Guaranteed Booth Traffic

The exhibit booth will allow you to display your products or services. ***Our daily exhibit bingo raffle will drive exhibit hall traffic to you and create opportunities for interactive conversations with our Hematology and Oncology healthcare practitioners.*** All exhibiting companies will have their company name displayed on our daily exhibit bingo card that is given to the attendees. When the attendees get their passport stamped by participating exhibitors, they are eligible for special prize drawings. Explore the various exhibit opportunities available to your company in the following categories:

- Products and services associated with the diagnosis/treatment of Hematologic or Oncologic conditions and diseases
- Pharmaceuticals specific to Hematologic Malignancies
- Office/Practice Management products and software
- Computer Software and Online Resources
- Digital Photography and Imaging Systems
- Publishing & Educational Materials
- Electronic Health Records

Exhibit Booth includes:

- Exhibit Hall and Educational Session Access for Two Booth Representatives
- (1) 6-foot Skirted Table with Two Chairs
- Event Attendee Lists, including participating exhibitors

Note: Due to GDPR guidelines, we will provide limited attendee contact information (full name, affiliation, city, state, country)

Exhibiting Fees:

Standard Booth- 1 Day	\$5,000 (1 Day only) Includes 2 booth representatives
Standard Booth- 2 Days	\$9,000 (2 Days only) Includes 2 booth representatives per day
Standard Booth- 3 Days	\$12,000 (3 Days only) Includes 2 booth representatives per day
Standard Booth- 4 Days	\$14,000 (4 Days only) Includes 2 booth representatives per day
Standard Booth- 5 Days	\$16,000 (5 Days only) Includes 2 booth representatives per day
Standard Booth- 6 Days	\$18,000 (6 Days only) Includes 2 booth representatives per day
Standard Booth- 7 Days	\$20,000 (7 Days only) Includes 2 booth representatives per day

Additional Representative **\$500** | 1-Day Exhibit Hall Access

Please Note: Exhibitor fees do not include hotel accommodations or travel.

EXHIBIT CONFIGURATION

All exhibits should be free-standing and self-supported. Linear configurations may not be designed to obstruct the view of nearby tables or block exits/doorways. Hanging signs are not permitted. No electricity/power needs are provided.

SECURITY AND STORAGE

The Ritz-Carlton Pentagon City is open to all hotel guests. Exhibitors are responsible for safeguarding their goods, materials, equipment and exhibits at all times. Neither the meeting organizers nor the Hotel will be responsible for the loss of or damage to any property. We will not be responsible for any unattended items or valuables, and strongly recommend that you take all materials with you after the conference.

SPONSORSHIP OPPORTUNITIES

HEMONC Best Practices has provided our supporters with invaluable opportunities for product branding, exposure, future partnerships and training through Sponsored Events such as:

Breakfast Product Theater | \$8,500 per session | 60-minute Duration

Dinner Product Forum | \$15,000 per session | Up to 3-Hour Duration

Product Theaters or Dinner Product Forums are a great opportunity for exhibitors to reach attendees beyond their booth space and present up-to-date information on their company's products and services to our audience of Hematology and Oncology clinicians, internal medicine physicians, nurses, physician assistants, and other healthcare professionals. The Breakfast Product Theater sessions can take place before the start of each Educational Session day. Timeslots are for 60 minutes. The Dinner Product Forums can take place after each Educational Session day. Dinner Product Forums sessions are up to 3 Hours. These sessions must be scheduled live, designed for a minimum of (20) attendees and topic/date must be approved in advance. As attendees get seated for your session and wait for it to start, a video can be played during this time to showcase your company and offerings. Limited space is available, first-come, first-serve basis.

For these Sponsored Sessions, your company will receive the following:

- Product Theater promotion (3) three email blasts to all registered attendees highlighting your session
- Meals/Catering will be arranged and provided for your event
- Premium Exhibit Booth placement in the Exhibit Hall area
- Pre-Registration & Onsite Audience Generation Support
- Onsite Program Promotion the day prior to the Event
- Event Signage (1) one hour prior to your Event
- Online Event promotion

The Sponsor will be responsible for:

- Additional presentation needs not provided with Sponsored Event package
- Content, content development and presentation
- Audio-Visual needs for the session
- Faculty and Faculty Honoraria

To apply for a Sponsored Event session, please contact FINA Logistics Conference Services Team at HEMONCBP_Sponsorship@finawww.com or please complete the online Exhibitor | Sponsor Partnership Application at this link - [Sponsor Exhibitor Application](#)

Please Note:

- Product Theaters and Product Forums are limited and will be assigned on a first-come, first-served basis at GW's discretion
- You **MUST** be a registered HEMONC Best Practices exhibitor to apply for a slot for a Product Theater/Product Forum
- Product Theaters and Product Forums are considered promotional activities and must be conducted in accordance with all applicable FDA regulations and other established standards and codes. Due to the promotional aspect, **Product Theaters/Product Forums will not offer CME credit**
- Product Theaters and Product Forums will be conducted during times that do not conflict with CME sessions. All space and timeslots will be scheduled by GW
- All products and services discussed shall be directly related to Hematology and Oncology, and must be of professional and educational benefit or interest to meeting participants
- All promotional and marketing materials must be approved by GW prior to distribution
- All material must contain the following statement: "The Product Theater (or Product Forums) content and views expressed therein are those of the Sponsor and not of The George Washington University. This session is not part of the educational program and does not provide CME credit."
- This agreement shall not constitute or be considered a partnership, joint venture, or agency The George Washington University and the Sponsoring Company
- Participation information should not be reported to CMS

SPONSORSHIP PARTNERSHIP PACKAGES

Sponsoring HEMONC Best Practices gives your company direct access to the key leaders in the medical and scientific communities to promote new products and services, build relationships, reinforce your brand, and demonstrate your commitment to improving the lives and quality of care for patients.

Our Sponsor Exhibitors will receive acknowledgement during the conference days. Sponsorship payments must be received by **Friday, July 11, 2025**. Additional recognition of support will be noted under each Sponsorship opportunity.

Sponsor Partnership Level	Elite	Grand	Premium
	\$30,000	\$20,000	\$10,000
Acknowledgement slide announcement during Educational Sessions, including Company Name and Sponsorship Level	✓	✓	✓
Sponsor Acknowledgement in Printed Course Syllabus	✓	✓	✓
Complimentary Exhibit Hall Premier Placement	✓	✓	
Complimentary Exhibit Hall 8-Day Access Passes	6	4	
HEMONCBP Social Media Ads (Facebook, Instagram and Twitter) (4) Promotional Sponsor Ads running from July 1 - July 31	✓		
Recognized as a "Showcase" Sponsor on Event Signage and Pre-Event Attendee Correspondence	✓		

EXHIBIT SET-UP | EXHIBIT TIMES | PROGRAM SCHEDULE OF EVENTS

The Exhibit Booth must be fully set-up no later than **Friday, August 1, 2025** by **7:00 am**. We will be launching the Sponsored Events registration site before the conference dates (early June), so the registrants can pre-register for their sponsored events in advance. All exhibits must be set (1) hour prior to the Educational Session start time. Please refer to the exhibit hall schedule below:

CONFIDENTIALITY STATEMENT

The contents of this document are the property of The George Washington University. The information contained in this document is confidential proprietary materials of GW and should be seen on a need-to-know basis. Disclosures to other personnel are prohibited. All rights to reproduction of this document, in whole or in part, are reserved.

Notwithstanding company's employees, agents or subcontractors shall hold confidential and shall not, directly or indirectly, disclose, publish, or use for the benefit of any third party or itself, any confidential or proprietary information of The George Washington University, HEMONC Best Practices, without first having obtained written consent to such disclosure or use. "Confidential or proprietary information" shall include, but not be limited to, new product information and related marketing plans or materials, scientific information, clinical development data, formulations, methods and processes, specifications, know-how, the details of this agreement and any other intellectual property. Notwithstanding any provision in this agreement to the contrary, this obligation shall survive the termination of this agreement.

CME GUIDELINES

As an ACCME-accredited provider, the GW Office of Continuing Education in the Health Professions (CEHP) must ensure all guidelines are followed with regard to educational content that is fair, balanced and free of commercial bias. As part of the ACCME Guidelines for Commercial Support, there must be clear separation between continuing medical education and any commercial promotional activities.

To ensure compliance with the ACCME Standards for Commercial Support, we require all companies applying for exhibit space to agree and adhere to all conditions and regulations outlined below and in the prospectus.

- Arrangements for commercial support, exhibits or advertisements cannot influence planning or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities
- Exhibit and other promotional fees shall be separate and distinct from educational grants/commercial support
- Exhibit Booths must not interfere or in any way compete with the learning experience prior to, during, or immediately after the activity
- Commercial interest representatives may attend educational sessions at the discretion of CEHP for the direct purpose of the representatives' own education. However, exhibitor personnel cannot participate in the session discussion in any way. Exhibitors may not influence the content for educational sessions, participate in question and answer discussions, or engage in sales or marketing activities while in the space or place of the educational activity
- Product Theater or Product Forums will not offer CME
- Exhibitors may not promote or offer continuing education credits for any demonstration or lecture given in the exhibitors' booths
- All giveaways must be provided in a manner consistent with all laws and guidance, including the PhRMA Code on Interactions with Healthcare Professionals ("PhRMA Code"). Giveaways must be designed primarily for the education of patients or healthcare professionals, and should not be of substantial monetary value
- By applying for exhibit space, the exhibitor agrees that interactions between company representatives and healthcare providers should be focused on:
 - Informing healthcare professionals about the benefits and risks of products to help advance appropriate patient use
 - Obtaining feedback and advice about products through consultation with medical expert
 - Providing scientific and educational information
 - Supporting medical research and education

TERMS AND CONDITIONS OF AGREEMENT

All Exhibit Booths are subject to review and approval by the Office of CEHP, The George Washington University School of Medicine and Health Sciences.

This agreement shall not be binding upon the lessor (GW) until accepted and executed by the Office of CEHP, GW. A countersigned copy of the contract will be returned to you as confirmation of your participation.

Violation of any part of this agreement, or any part of the regulations adopted by the Lessor, shall, at the election of Office of CEHP, GW cause this agreement to become null and void. In such event, all sums previously paid for or contracted to be paid under this agreement shall be assigned, or otherwise disposed of, without the written approval of GW.

Refunds of any payment for tabletop space will be made at the sole discretion of the Office of CEHP, GW with a \$200 processing fee deducted from the total paid. No refunds due to cancellations will be made if cancellation is received less than two weeks prior to the start of the event.

The Office of CEHP, GW may, at its sole discretion, withhold or withdraw permission to distribute advertising or other material it considers objectionable or not in keeping with the character or purpose of the Office of CEHP, GW.

The rental of exhibit space shall not influence the control of content or selection of presenters and moderators. GW is ultimately responsible for control of content and selection of presenters and moderators.

Cancer Center

2025 HEMONC Best Practices Conference

August 1-7, 2025 | The Ritz-Carlton Pentagon City, Arlington, Virginia

Exhibitor Registration Credit Card Payment Agreement

The GW Cancer Center and the Dr. Cyrus and Myrtle Katzen Cancer Research Center are dedicated to fighting cancer through research, patient support and assistance.

Make a Difference

☐ Yes, we would like to register for the **2025 HEMONC Best Practices** on _____
_____. (Please confirm exhibitor participation dates).

☐ Yes, I have completed the online Exhibitor Sponsor Partnership application - [Sponsor Exhibitor Application](#)

As an exhibitor, you will have access to a personal and interactive setting to showcase the latest advances in oncology research and practice. This symposium will bring together over 200 members of the oncology community, from a broad range of specialties, who work together to strengthen collaborative treatment approaches and to enhance patient care.

The educational display fee will provide an unprecedented opportunity to display with an education table and exhibit to the participants at the symposium. **Payment is due Friday, July 11, 2025.**

Please complete your company information below:

☐ I want to support The GW Cancer Center with an exhibit fee of _____ (please confirm your exhibit fees according to the booth fees listed on pages 16 & 20).

Please make your check payable to: **The George Washington University** and return with this form to LSchargorodski@mfa.gwu.edu or use this form to pay by credit card.

CANCELLATION POLICY

An Exhibitor Sponsor may cancel their Exhibit Space or Sponsorship Opportunity at any time. Refund requests must be submitted in writing to HEMONCBP_Sponsorship@finaww.com and a processing fee may apply. Please note that no refunds will be issued, and the Exhibitor Sponsor is responsible for any outstanding payments that are due after requesting and securing Exhibit Booth Space or Sponsorship Opportunities such as Product Theaters, Product Forums, and Sponsorship Packages.

As a reminder, GW will not accept Direct Deposit payments, no exceptions.

TERMS AND CONDITIONS

This constitutes the entire agreement between the parties relating to the subject matter hereof. This agreement supersedes all prior understandings, negotiations, and discussions, written or oral, of the parties relating to the agreement. Any alteration or modification of any portion of the agreement or any termination or replacement of the agreement shall not be valid unless in writing and signed by both parties.

- Invoices will be sent to the email provided in the registration form. Please be sure to note any billing specifications in the Agreement to Proceed
- Contracted amount to be invoiced upon receipt of signed contract
- Invoice Terms - Payment must be received in full by **Friday, July 11, 2025**.

PRODUCT FORUM DESCRIPTION | FORMAT | ATTENDANCE

The GW Cancer Center and the Katzen Cancer Research Center are pleased to offer a Product Theater and Product Forum as a platform for the presentation of medical education programs developed by other providers during the HEMONC Best Practices conference. Acceptable educational formats for product theaters/forums include presentations by speakers, panel discussions, films, and video presentations. It does not need to be CME. Attendance at a product theater/product forum/can range from 20 to 50 attendees, depending on the topic and sponsored event. Overall attendance at the HEMONC Best Practices Course will be approximately 200 healthcare physicians and other healthcare practitioners.

No other GWCC-sponsored or approved educational programs are scheduled opposite Product Forums. Breakfast Forums cannot run longer than 1 hour. Dinner Forums cannot run longer than 3 hours. For dinner sessions, we suggest a 15-Minute registration and reception in the foyer outside the designated function room at the starting time listed, with a hot buffet dinner following the sponsored presentation. HEMONC Best Practices will be responsible to provide food, all billable items will be the responsibility of the sponsoring organization. The program provider would be responsible for audio visual, beverage (including any beer and wine ordered), content, content development, faculty/presenter, and faculty/presenter honoraria and any other applicable hotel charges related to your event.

- HEMONC Best Practices will be responsible for e-mail marketing and audience generation support including three (3) email blasts to all pre-registered attendees highlighting your session
- Meals/Catering will be arranged and provided for your event
- Premium Exhibit Booth placement in the Exhibit Hall area
- Pre-Registration & Onsite Audience Generation Support
- Onsite Program Promotion the day prior to the Event
- Event Signage (1) one hour prior to your Event
- Online Event promotion

Application Process and Deadline

Product Forum proposals can be submitted using the enclosed Product Forum Application Agreement. The application deadline is **Friday, June 27, 2025**. The program provider will be notified of a product forum's acceptance no later than **Thursday, July 3, 2025**.

Product Forum Review Process

The Product Forum review process is designed to ensure that approved product forum meets the educational needs of physicians and medical professionals attending the HEMONC Best Practices conference, present a variety of topics, and do not duplicate the educational content of the HEMONC Best Practices course. Please review the criteria below:

- Program objectivity, balance, and scientific rigor. It does not have to be CME program
- The program proposal meets the educational needs of meeting attendees. Content should be presented at the highest level of sophistication
- The program proposal presents a variety of topics. GWCC will attempt not to schedule programs that address the same therapeutic area
- The program proposal complements the overall educational content of the conference

Product Forum Fees | Sponsored Event Schedule

The Sponsored Event fees are payable to **The George Washington University** and must accompany the Product Forum Application Agreement to be considered. Please refer to the enclosed Program Schedule of Events for Sponsored Event dates/timeslots.

Cancellation & Refund Policy

Cancellation notification must be emailed to GWCC and must be received before Friday, June 27, 2025. If a cancellation notification is received by GWCC before **Friday, June 27, 2025**, 50% of the event fee will be refunded. If the cancellation notification is received by GWCC on or after **Friday, June 27, 2025**, no refund will be given. Non-refundable program fees cannot be transferred for another purpose within GWCC under any circumstances.

Promotional Opportunities

All promotional materials must be approved by GWCC before electronic mailing. Due that GWCC is not a co-sponsor of the product forum, the following statement GWCC will use in connection with the promotional materials: "Presented as a product forum during the 2025 HEMONC Best Practices conference".

The final program information must be submitted by **Friday, June 27, 2025** to be included in the program materials and/or pre-event email marketing correspondence.

Onsite Program Promotion

Event signage will be placed in a designated area near the GWCC registration desk the day before your event for publicity purposes. One additional sign will be placed outside the satellite symposium function room (1) one hour prior to your event. GWCC does not allow the hiring of people to act as walking advertisements by holding signs or handing out any promotional materials.

Product Forum Inquiries

Please contact Leo Schargorodski at lschargorodski@mfa.gwu.edu or at +1-202-741-2250.

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

**Request for Taxpayer
Identification Number and Certification**

Go to www.irs.gov/FormW9 for instructions and the latest information.

**Give form to the
requester. Do not
send to the IRS.**

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.) THE GEORGE WASHINGTON UNIVERSITY
	2 Business name/disregarded entity name, if different from above.
	3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes. <input type="checkbox"/> Individual/sole proprietor <input type="checkbox"/> C corporation <input type="checkbox"/> S corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate <input type="checkbox"/> LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. <input checked="" type="checkbox"/> Other (see instructions) TAX EXEMPT 501(C)(3)
	3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions <input type="checkbox"/>
	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) 1 Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) A (Applies to accounts maintained outside the United States.)
5 Address (number, street, and apt. or suite no.). See instructions. C/O TAX DEPARTMENT, 44983 KNOLL SQUARE, SUITE 200	Requester's name and address (optional)
6 City, state, and ZIP code ASHBURN, VA 20147	
7 List account number(s) here (optional)	

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number									
			-				-		
or									
Employer identification number									
5	3	-	0	1	9	6	5	8	4

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
